

# 2021 ASTE ANNUAL MEETING

## HOW TO CONFERENCE GUIDE

### USE THE ASTE CONFERENCE APP

The ASTE conference program is a web-based app (you can also download it) that will allow you to plan your conference activities! Registered participants can access the app to find links to access video presentations, posters, and live sessions in Zoom.

### ATTEND LIVE ASTE EVENTS

Simply click on the Zoom link in the app to join these live events at the designated time.

- Business Meeting
- Presidential Panel
- Fireside Chat with ASTE Awardees
- Grad Student Business Meeting
- Three-Minute Thesis Competition

### GO TO CONCURRENT SESSIONS

Sessions include Prerecorded Videos and Live Discussions

- Links to videos prepared by the presenters will go live in advance of the conference via links in the app so you can watch at your own pace and convenience.
- Live, concurrent sessions will be used for discussion with the presenters. Click on the Zoom link to join at the designated time. You can post your questions in the chat for the Presider to pose to the presenters.

### ATTEND A WORKSHOP

Workshops are embedded throughout the schedule and provide you an opportunity for more in-depth engagement on a variety of topics. Use the Zoom link to participate in these live sessions!

### VISIT THE VIRTUAL POSTER HALL

The poster hall will be a virtual space for you to browse at your own pace. Look on each poster for links or information about how to contact or engage with the presenters to learn more about their work.

### MEET WITH YOUR REGION OR COMMITTEE

Look in the schedule for 'Virtual Coffee Talk' events to find how to connect with others in your region and participate in committee meetings. Not a committee member? Consider dropping in to learn more about the work of the committees and consider [volunteering for committee service!](#)

### SOCIALIZE WITH OTHER MEMBERS

Networking with other members is an important part of the ASTE conference experience! 'Virtual Happy Hour' spots in the program are embedded as ways for you to connect informally with other members around similar areas of interest-- find your 'birds of a feather' by choosing a topic that interests you and clicking on the Zoom link to join.
